The Ultimate Authority on
Creating Best Places to Work

Success Just Got Easier.®

Deb Boelkes is a high energy public speaker and a role model heartfelt leader. She is also the award-winning author of **The WOW Factor Workplace: How to Create a Best Place to Work Culture; Heartfelt Leadership: How to Capture the Top Spot and Keep on Soaring; Women on Top: What's Keeping You from Executive Leadership?** and coming soon, **Strong Suit: Leadership Success Secrets from Women on Top.**

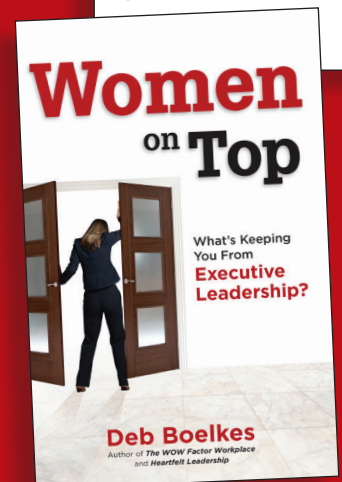

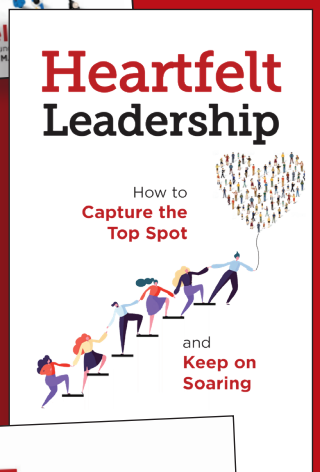

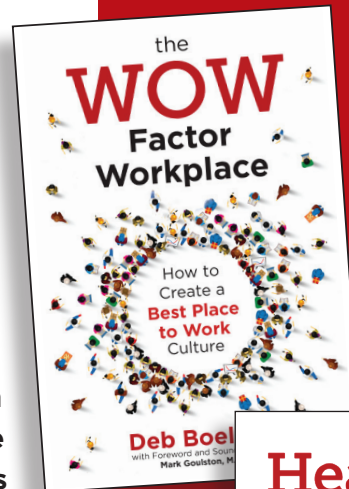

With nearly 30 years busting bureaucracies while climbing the leadership ladder within male-dominated Fortune 150 technology firms, Deb knows firsthand the challenges women, in particular, can face in their efforts to reach the top. That's why in 2009 she founded Business World Rising—originally called Business Women Rising—to accelerate the advancement of high-potential leaders to the top of “Best Place to Work” organizations.

An innovative business coach and mentor to countless leaders, Deb inspires virtually everyone around her to achieve their personal vision of success while overachieving even the most challenging operational objectives. Deb enjoys speaking to corporations, industry associations, universities, executive roundtable groups, and civic organizations of all sizes—from intimate settings with as few as ten executives to crowds counting in the thousands—on leadership development, creating Best Place to Work organizations, and advancing the American Dream.

Praise for Deb Boelkes

“What an engaging and uplifting speaker to kick off the conference!”
—Member, American Society of Health System Pharmacists

“The session was great, and Deb is a great role model—it was obvious from the students’ questions. I loved the paying it forward concept.”
—Dean, College of Business and Leadership Chair,
University of Rhode Island

“To say that I was inspired is an understatement. More importantly, I was moved to action.”
—Vice President, Property Trust Company

“What we need is inspiration. Deb gives you that and more... so kind, so gracious, and such an engaging speaker.”
—Criminal Defense Lawyer and Business Owner

“Such an inspirational and informative presentation. Audience feedback was overwhelmingly positive: ‘Fabulous,’ ‘Best yet,’ ‘We need more speakers like Deb,’ ‘A million thanks for sharing your superpowers with us.’”
—Professional Development Committee Chair,
American Business Women’s Association

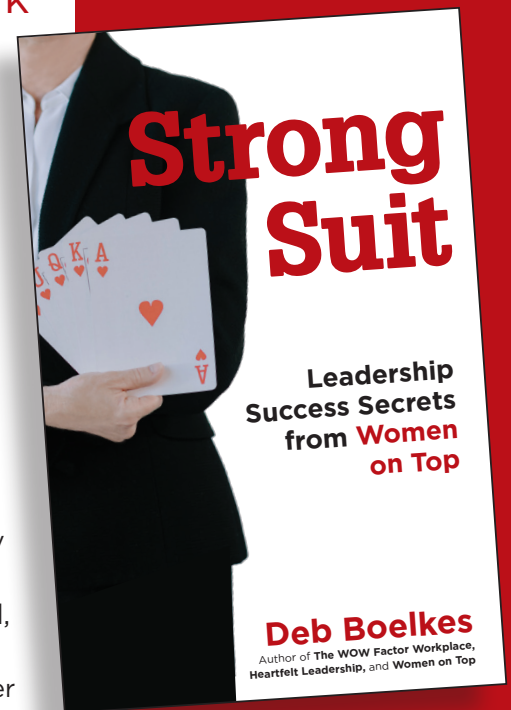

“Deb breaks the leader stereotype by the way she becomes absolutely involved with those who interact with her. She is a superb professional and a remarkable woman.”
—Multicultural Engineering Project Manager

“We received a whole person—woman and professional—perspective, focusing on us as individuals, both personally and professionally. That is very effective and unique in my experience.”
—Director of Global Business Management, Fortune 200 corporation

“Deb is a very dynamic speaker. Her storytelling and relating everything back to her tips was very helpful—something that can be directly applied to my leadership skills.”
—Pharmacy Practice Coordinator, Major Retail Chain

“I honestly haven’t met anyone with her kind of vibrant aura in a very long time.”
—Program Manager,
Organization for Asian Pacific American Leaders and Professionals
